

GIN & TONIC

50ML HIGHCLERE CASTLE GIN

ARTISANAL TONIC WATER

GARNISH WITH ORANGE PEEL
AND ROSEMARY SPRIG

Fill the glass with ice, followed by the gin, slowly pour the tonic water, and give a gentle stir. Cut an orange peel and twist it over the top of the glass which releases its natural oils. Place the orange peel into the glass along with a fresh sprig of rosemary.

This delicious masterpiece deserves a well chilled highball or balloon glass.
